# Catastrophic floods are a wake-up call for insurers

Regional insurance penetration needs to be higher and policies must be overhauled

By Akshata Kamath | May 10, 2024, 9:45 AM

Amr Alfiky/Reuters

Drivers faced a dilemma after the floods: roadside assistance companies were overwhelmed but if they tried to drive when their car was under water, insurance claims were rejected

## Canada's Insurance Sector Faces Deluge of Climate-Related Catastrophe Claims
